2008 Society for Photographic Education Mailing List Request Form

The membership mailing list (approximately 700 names) costs \$350 for one-time use. For non-profit organizations or universities, a reduced rate of \$250 applies. Individual members may purchase the list for \$100. Partial lists are also available.

Pre-payment is required. Visa and MasterCard are accepted. Labels will be mailed or emailed in an Excel or comma-separated file within three days of receiving payment. Unless otherwise specified, the names will be sorted by zip code.

The rate for SPE's mailing list is determined by intended use, not necessarily by the status of the purchaser. Individual members can purchase the mailing list at the member rate for personal use only and cannot be used for corporate or non-profit use. A corporation, educational or non-profit organization may pay the member rate only if they are current SPE Corporate Members.
