2020 SPE VIRTUAL CHAPTER CONFERENCES

6 Weekends | September 26 – November 7

SPE has become the largest association devoted to photography and related media as it applies to education, practice, and scholarship. Our membership is primarily in the educational sector—artists, educators, scholars, entrepreneurs, and students. From its beginnings at a teaching conference in 1962, SPE has grown into a mature professional organization. SPE maintains its dedication to the educational advancement of its members and the institutions they represent.

All SPE members are automaticly enrolled in their affiliated SPE chapter. While each of the chapters are unique, they all provide local conferences, networking opportunites, and other benefits to serve the special needs of their constituency.

SPE's Chapters will present virtual conferences this fall. Starting September 26 through November 7, these virtual conferences will feature an engaging mix of live-streamed education, creative community connection opportunities, studio visits, and fun social sessions. Visit **https://2020-spechapterconferences.heysummit.com** for a current schedule of events, and stay tuned for more!

The ongoing support of SPE's industry partners allows us to meet this moment and help organize compelling programs like this. While we're disappointed that we won't be able to celebrate in person this fall, we're excited about the opportunity to highlight the engaging work happening in each of our chapters. We hope you'll join us!

VIRTUAL CHAPTER CONFERENCE SCHEDULE

2020 SPE Virtual Chapter Sponsor Order Form

6 Weekends | September 26 - November 7, 2020

Virtual Chapter Event Sponsor Package – $300

Package Includes:

- Sponsorship of specific SPE Chapter speaker or event
- Logo and link shown in the sidebar of the sponsored SPE speaker/event page of the conference platform
- Presentation intro slide: Before the event begins, your logo with sponsorship credit will be the first thing the audience sees of the virtual production.
- Closing credit:Your company logo with sponsorship thank you displayed at end of virtual production
- Option to provide a Giveaway for your sponsored speaker/event. As an incentive to encourage attendees to turn up live to your sponsored event, they will be entered into the same prize-draw simply by turning up to the talk live. Your Giveaway will be visible on the perks page, individual speaker page and individual talk/event page of the conference platform.
