**2017 SPE SOUTH CENTRAL STUDENT PUSH-PIN EXHIBITION**

Join us for the *SPE South Central Student Push-Pin Exhibition*. SPESC students are invited to showcase their work at The Arts Center of Waco during the opening reception of the *SPESC Regional Juried Educators' Exhibition*. No need to print, matte, mount, or frame—we will do the printing for you. Prints will be mounted to temporary gallery walls with push pins.

**How It Works**

Submit up to three digital files via email and we will do the rest! We will print one copy of each digital file submitted (to your specifications--up to 11" x 14"). We will then install your image on temporary walls to be on display at the opening reception at The Art Center of Waco. If you wish to sell your images, be sure to list your phone number on your information submitted. Buyers will know to text/call you during the reception to make the exchange. All prints sold are the responsibility of the artist.

**People's Choice Award**

This year everyone will have the chance to vote for their favorite prints, and the top 3 artists and their work will be announced on our website, and on

social media.
