Sessions on the History of Stereoscopic Photography VII

Thursday, July 16, 2026

The National Stereoscopic Association's 52nd Annual 3D-Con

The National Stereoscopic Association is pleased to announce its seventh annual "Sessions on the History of Stereoscopic Photography" at the 52nd annual 3D-Con on July 16, 2026, to be held at the Clyde Hotel, 330 Tijeras Avenue NW, Albuquerque, New Mexico. Presentations are welcome on any art historical, visual studies, humanities or social historical scholarship in stereography from its inception to contemporary stereo-media. We project stereoscopically on the 3D-Con's big screen, and our growing community of international scholars represents diverse research from the nineteenth to the twenty-first century.

Please fill out the contact information form on the web page below. Then upload on a separate file your abstract of 600 words maximum, followed by a biography of no more than 300 words, and up to five images.

Deadline: **May 6, 2026**
