

## Retro Future

May 18<sup>th</sup> 2017. 7:00pm – 10:00pm  
Pop-Up Location TBA  
(Lower East Side of Manhattan, New York)

**Retro Future** will be Treat Gallery's anniversary celebration, party and exhibition. *Retro-Futurism* was an optimistic vision of the future (think robots, flying vehicles!) portrayed in various films, fashion and publications from the 1920's through the 1960's.

We **#NAILEDIT** with our inaugural show. Shortly after, you sent us some **FUN SIZED** work, and then you helped us show Brooklyn your **SWEET SPOT**. A couple collaborations later, we raised a combined \$1,950 for various based charities and non-profits. In our first year of operation, our exhibitions have received features in *dnainfo new york*, *arte fuse* and *peerspace*.

We're going to continue exhibiting emerging artists through 2017. It is our promise to provide young collectors with affordable fine art, and most importantly, it is our mission to help those in need. Do you share our optimism for the future?
